Hire Equipment Terms and Conditions:

1. The customer is fully responsible for ensuring a safe and suitable position for hanging, fixing or seating the equipment. The equipment should be secured to avoid injuries to any 3rd parties. We will **NOT** be liable for any injuries causing to 3rd parties.
2. The hire equipment is heavy and care should be taken when lifting and carrying the units.
3. Occasionally during shipping the electronic digits may become dislodged inside the case. This is normal. You **MAY** need a screwdriver to re-seat the digits back into position before using the unit.
4. We are unable to arrange an exact delivery time via the courier. However all equipment is shipped from us, by TNT Couriers on their 'Next Working Day' delivery service.
5. The exact delivery time to your premises depends on when the courier is in your area and we have no control over this. We will **NOT** be liable if the courier misplaces the unit in transit and or delivery is delayed, which could result in the unit not arriving on or before the agreed hire date.
6. We are unable to arrange an exact collection time via the courier. Collection dates and times can range from between 1 to 4 days from the date we book the collection.
7. All units are tested before they leave our premises and should be tested ASAP upon receipt. This is to ensure no damage has occurred in transit and to make you familiar with the equipment before the hire date. Whilst damage in transit is rare, we will **NOT** be held liable for any costs incurred for equipment not working on the agreed hire day. However we will refund the customer for non-working equipment on the hire day providing the customer notifies us within 24 hours of delivery of any faulty equipment.
8. If any of the above is not acceptable please **DO NOT** arrange hire of this unit.
